

REMARKS

Responsive to the outstanding Office Action, filed herewith is a Terminal Disclaimer as required by the Examiner. It is believed that the attached Terminal Disclaimer obviates all of the outstanding rejections and objections. Hence, the application should now be in condition for allowance.

Prior to allowance, applicant wishes to draw the Examiner's attention to the fact that only the 2nd page of the Information Disclosure Statement submitted by the applicant was attached to the November 1, 2004 Office Action. For the Examiner's convenience, we attach hereto a copy of page 1 of the Information Disclosure Statement previously filed by the applicant. At the time the Information Disclosure Statement was filed on June 10, 2004, copies of the respective documents were enclosed. It is requested that the documents listed on page 1 of the Information Disclosure Statement, attached, be cited and made of record in connection with the present application.

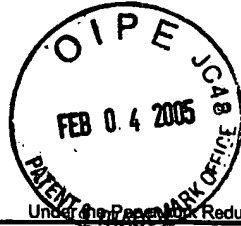

If the Information Disclosure Statement in the Examiner's file does not include page 1, as attached, and applicant will need to resubmit same to the Office to obtain the consideration of the citation of the various prior art documents, it is requested that a further Office Action be issued to provide applicant an opportunity to submit the Information Disclosure Statement and the documents, if needed.

Respectfully submitted,

WELSH & KATZ, LTD.
